

WEDDINGS AT THE LAWRENCE HOTEL

Hello

Thanks for taking the time to consider The Lawrence for your special day.

We can host up to 80 guests in the daytime & 140 for the evening.

Below is the day time menu where you can choose items like the type of soup, pate, sauce and cheesecake topping.

To hold your date a non refundable deposit of a quarter of your final bill is required, six months later the next quarter, six month before the event, the next quarter and thirty days before the remaining balance is due. If your wedding is less than thirteen months away a third is payable on the booking, with the next third six months before your date and the remaining third thirty days before.

If we can help with anything else please let us know.
